

## **Discussion Questions for On the High Mountain?**

### **Mark 9:2-13**

(Matthew 17:1-13; Luke 9:28-36)

1. What new insight did you gain by watching this video? How do you respond to this new insight? How will you realign your life based on this new understanding?
2. The gospel reading from Mark opens with a statement that the Transfiguration event took place six days later, but six days after what?
3. In this account, we see Yeshua climbing a mountain as He often did to pray and consult with God the Father. He also often takes His closest disciples with him. Compare this practice with that of Moses going up Mount Sinai to seek out God. What other time, or times, did Yeshua take these same three disciples along to pray? Compare those events as well.
