

Discussion Questions for “The Four Questions”

Mark 11:27-12:37

1. What new insight did you gain by watching this video? How do you respond to this new insight? How will you realign your life based on this new understanding?
2. The fourth letter of the Hebrew alphabet is the dalet, ד, representing the door. E.W. Bullinger in Number in Scripture describes the number four as the completion of God’s creative works. Rabbi Dr. Hillel ben David wrote in an article titled “The Significance of the Number Four” that it is the number of completeness or fullness. (See Is. 43:7 for a description of the fullness of creation.). What are other instances of the number four that reveal it as the door or the number of completeness or fullness?
3. How do the four questions in this passage represent a completeness or fullness? In what way do these questions comprise a thorough examination of Yeshua the Passover Lamb?
