

Discussion Questions for “Disciples of the Master”

Matthew 9:35-11:1

Mark 6:6-13; Luke 9:1-6, 10:2-12

1. What new insight did you gain by watching this video? How do you respond to this new insight? How will you realign your life based on this new understanding?
2. How do instructions to the seventy disciples in Luke 10:1-12 compare to the instructions given to the twelve? Just before His crucifixion, Yeshua gave new instructions in Luke 22:35-36 and, after His resurrection, in Luke 24:44-46 and in Matthew 28:18-20. Compare this new set of instructions with those given to the twelve and the seventy.
3. Yeshua describes the multitude as “sheep who are weary and scattered” in Matthew 9:36. Mark describes them as “sheep without a shepherd” in Mark 6:34. Yeshua, then, sends the twelve to the “lost sheep of the house of Israel.” How are the multitudes “lost sheep who are weary and scattered without a shepherd?”

4. When going to the Jewish people, the disciples were instructed to enter one home and bless the home. How is this carrying out the threshold covenant that existed between all the families of Israel? What, then, would be the significance of wiping off the dust of the shoes and removing the blessing? Compare this to Yeshua's words in Matthew 10:21-23 and 34-36.
5. Yeshua describes a reward going to those who receive or honor three different types of people, prophets, those who are righteous, and little ones in Matthew 10:41. The reward received is, also, described as three different types. What is the message behind this verse? How does it connect to verse 40?
