

Discussion Questions for “His Hour has Come!”

John 12:20-41

1. What new insight did you gain by watching this video? How do you respond to this new insight? How will you realign your life based on this new understanding?
2. Throughout Yeshua’s ministry He continually stated that His hour had not yet come. Here, just two days before the Passover, Yeshua now declared that His hour has now arrived. Yeshua specifically said in John 12:23 that, “The hour has come for the son of man to be glorified.” In the gospel of John, how is the term “glorify” or “glorification” used and how does it relate to Yeshua’s statement in John 12:23?
3. In John 12:28 a voice from heaven answers Yeshua’s prayer. What two other times did a voice from heaven speak in Yeshua’s presence with others to witness? Who else among the apostles also heard a voice from heaven speak to them? Scripture please.
