1. What new insight did you gain by watching this video? How do you respond to this new insight? How will you realign your life based on this new understanding?
2. How does the man carrying his bed and Yeshua stating the He and the Father are working emphasize that the “rest” of the Sabbath is more than just resting on the seventh day? Compare 1 Corinthians 15:20-28 with the Isaiah passages: 46:9-10, 55:11 and 45:21-22. From another perspective, compare this to the “rest” promised to believers in Hebrew 3:7 through 4:13.
3. What are the “works” of God that Yeshua performs? What works of God are revealed when Yeshua healed the man with an infirmity and the man who was born blind? How is this “finishing” God’s work?
